

## **NIMS 100 and NIMS 700**

### **Instructions**

Go to <https://training.fema.gov/nims/>

- Click on the link titled “ICS-100: Introduction to the Incident Command System”.
- Complete class and test.
- Once test is completed, the course will present you with a certificate of completion- print one copy for yourself and one to give to the Explorer Post.
- Next, click on link titled “IS-700: National Incident Management System, An Introduction”.
- Complete class and test.
- Once test is completed, the course will present you with a certificate of completion- print one copy for yourself and one to give to the Explorer Post.

### **Things to remember:**

- Block off at least 3-4 hours for each class and test- you will want to finish it in one session to reduce the risk of your computer crashing and losing your progress.
- Take notes- you can do this by copying and pasting from the lesson. They will be very valuable during the test at the end!
