- Read and be familiar with the Goals and Guidelines Handbook and General Orders
- Awareness of the monthly meeting schedule, attendance policy, community service requirement and three strikes out rule
- Understand that there is a grooming standard to include: dress code(uniforms), standards for hair, and standards for jewelry
- Understand the finances of the post to include the participation fee and equipment deposit
- Upon separation of membership for any reason, all equipment (including but not limited to uniform items, nametags, binder, turnout gear, etc.) must be returned to the post. Responsibility lies with the Explorer and their parents for this return. By signing this Explorer and Parents agreement you assume the responsibility to return the above items. If the items are not returned, you are responsible for the financial loss to the Explorer Program. The financial liability is placed on the Explorer and their Parents
- The Equipment deposit for the Explorer Program does not cover the following: explorer equipment is lost or damaged due to misuse, abuse, or negligence. The Explorer and their parent will be responsible for the cost of replacing the lost or damaged equipment at current replacement values.
- The Explorer program uses electronic media, it is up to the parent(s) of their Explorer to be aware of the Explorer's electronic media usage. (i.e., phones, computers, website, Facebook, or other explorer sanctioned electronic media.)
