

Fire Explorers will be starting on June 24th, 2020. The Fire Explorers will meet Wednesdays and Saturdays throughout the summer. We will be following all Center for Disease Control (CDC) and the Colorado Department of Public Health and Environment (CDPHE) recommendations for social distancing and summer camps. Summer camps are allowed a 25-person maximum group size outdoors while social distancing and 10 or fewer indoors while social distancing.

The Fire Explorers will follow all the procedures that our CSFD Training Academy put in place:

- Fire Explorers and other attendees will complete symptom checks during check-in for each Fire Explorer meeting
- At the start of every meeting Fire Explorers and other attendees will have their temperature checked
- Fire Explorers will wash their hands for 20 seconds at the beginning of the meeting and as often as is practical throughout the meeting
- Fire Explorers will utilize hand sanitizer stations on the drill field
- Fire Explorers will disinfect highly touched surfaces regularly
- Skill stations will be small groups and outside when possible
- SCBA's will be issued to a Fire Explorer and cleaned regularly
- Fire Explorers will wear a cloth face mask while participating in Fire Explorers and not in an SCBA facepiece

These procedures will be followed by all participants, instructors, adult volunteers, and Fire Explorers.

NOTE: there **will not** be a week-long Explorer Academy this year.

You must bring this signed permission slip by you and your parent(s) on the first meeting you attend.

Meetings may be canceled if any of the following occur, but not limited to, at the discretion of the Fire Chief of Colorado Springs Fire Department:

- Restrictions are increased by the Governor, CDPHE, or El Paso County Public Health
- An outbreak detected (two or more explorers, leaders, or volunteers)
- Cases of COVID-19 begin to rise in El Paso County/Colorado Springs
